# **Escape With That Special Someone To Paris: Dedicate Your Romance As The French Do**

Planning a honeymoon is definitely a fun part when getting married. If you are trying to figure out where you'd like to go for your honeymoon, France is a great option to consider. If you are a hopeless romantic or if you foster a loving relationship with nature, France can fill your honeymoon with the sort of memories that are never forgotten. While this may or may not be something you would be excited about, you will also need to get a [expedited U S passport name change](#). There are tons of easy ways to do this, as passport renewal has made huge strides in convenience.

France is absolutely lovely. Artists from every era and every region have become inspired by the bucolic sights and fabulous natural scenery that France is full of. Regardless of where in France you travel, you will be close to scenic vistas and green pastures. Luxembourg Gardens, which is in close proximity to Luxembourg Castle, is a breathtaking garden filled with all kinds of natural life.

How can we talk about France without also talking about the city of love- Paris. There are plenty of opportunities for the newlyweds to have fun. One of the first things you can do is take your new spouse to one of the bridges over the Seine River. This spot is known across the world as a kissing spot- what could be a better way to start a new marriage with a kiss in France?

The sidewalk cafes in Paris are famous, the food and wine are amazing, and the atmosphere is so romantic. There are pretty boutiques, great hot spots, and the city is full of adventure. You can really learn a lot when you travel the world. Ensure that your immunizations are up to date and that you have the right paperwork before you travel. Check passports, visas, and other documents. It is easy to download your [passport application form](#) from the Internet.

Visiting historical France is a great way to feel like you have gone back in time. There are Medieval castles all over the country, and they are an entertaining way to spend your trip to France. Have a kiss on the Eiffel Tower and see the whole city of love from the top. You can also get another view of the city from the Arc De Triomphe or Notre Dame.

Now that you have decided to get married, you now get to expand many hours figuring out every part of your wedding and all that goes into your special day. Don't forget your honeymoon during this process; try not to leave it to a momentary consideration. This time is a special opportunity to spend alone with the love of your life. And keep in mind to get your [expedited passport name change](#). For new brides, this means a change in your last name, which will require a change to your passport. If you don't currently have a passport, there are many forms available online that could aid in the passport renewal process.
