# **Proven Travel Tips For Exotic And Not So Exotic Destinations**

Visiting a new city, country or continent can be both exciting and nerve-wracking for even the most seasoned world traveler. Reviewing the handy advice below before setting off on your next trip can make your travel more enjoyable, less stressful, and maybe even cheaper.

Use caution when you get an email about great deals in travel. If you never joined the company's email list or don't recognize the company, delete the email without opening it.

The cheapest place to exchange currency is almost always going to be at your destination. Sometimes you are not able to exchange currency right away when you reach your destination. If this is the case, make a small currency exchange before you leave and take that money with you while you're traveling until you are able to change the remainder of it.

If the hotel you want to stay in is fully booked, you can ask if they have a room which is out of service but still livable. Peeling paint or a dirty rug are not likely going to turn you off enough to avoid staying in that room!

When traveling, you should pack light, and plan where you want to go and what you want to do. If you are efficient, you are more likely to enjoy your trip.

If a hotel is full, try asking for an out-of-service room. Rooms that have maintenance issues like damaged carpets or excessive dirt will be taken out of service until the issues can be addressed.

Using these cables allows you to hook a computer up to the hotel room's TV. Rather than forking over lots of money for in-room movies, you can use your Netflix account or other streaming services for entertainment.

Bring only what you need. Establish a list of the essential items you want to bring, and review it carefully. A light, smart packing job will make any trip easier and more enjoyable.

Arriving the night before is essential. Staying over at a hotel that customarily allows their patrons to leave their vehicles there during their cruise is a smart move. Ask the staff at the hotel where you stay about parking deals they may offer.

If you decide to have a camping trip, remember to bring maps that you can carry along with you. You may also want to bring a compass or GPS device, just in case you find yourself lost.

Consider purchasing a yearly National Park Pass if you plan to visit more than a couple times a year. It's only \$50 annually, and it covers your entry to all the national parks.

If the hotel you want to stay in is fully booked, you can ask if they have a room which is out of service but still livable. Generally these rooms just require minor repairs, like carpet stains or needing repainted walls.

Purchase the National Park Pass if national parks are something you and your family visit quite often. The passes can be purchased for \$50 and are a great deal as they cover all national parks for one full year.

Deserts offer remarkable and memorable vistas and exotic plant and animal life. Deserts offer a special experience for the first time visitor. It should be the goal of anyone interested in the world to experience the wonder of the desert at least once.

It is important to purchase a voltage converter if you will be traveling outside the United States. These can be purchased at electronics stores or travel stores before your trip. The adapters available near the airport and hotels will certainly cost far more money.

The tips mentioned will hopefully have given you useful information as to how to start planning your next trip. This advice was compiled with travelers like you in mind, and hopefully, you can put these tips and techniques to use on your next adventure.
