Worldwide Riding Holidays

[Riding holidays](#) are the perfect way to have the trip of a lifetime in one of many worldwide destinations. There is a massive choice of places in the world that offer exhilarating and exciting experiences on horseback. This is a unique way of seeing a country whilst being able to enjoy your favourite hobby. For a guide to some of the best riding holidays taken throughout the world, see the following.

Horse Holidays in Europe

For people not looking to travel very far or spend huge amounts, the continent is a suitable choice. One of the best things about Europe is its variety with regards to the climate, terrain and culture. For instance, you could go riding through snow-topped Scandinavian mountains, the heat of beaches in Spain, or in the tranquil countryside of France.

North America

According to your position, there are numerous riding holidays possible all over North America. For Wild West adventures, the ranches of Texas are the places to be. All cowboy fans will thoroughly enjoy this. Riders in California are spoiled with gorgeous beaches, great weather and stunning scenery. The Rockies of Canada are fantastic for riding holidays that include fresh air and are set against dramatic backdrops.

Trips to South America

This continent provides visitors with many options on horse riding holidays. Travelling through the Andes, Latin America is the perfect place to get back to basics and ride like the locals. Generally speaking, conditions and terrain can be very harsh, so only the very experienced should ride here. Most find this to be the most memorable and rewarding experience of their life.

Other Options

There are plenty of other areas in the world that are ideal for horse riding holidays. Why not take the grasslands of Africa or the Australian outback for [riding holidays](#)?
